

Nissan Forklift Attachments

Nissan Motor Co. Ltd prides itself on reaching complete customer fulfillment when enjoying one of their car, truck or forklift products. They are fully committed to providing high value and detail-oriented quality values to their customers. Incorporating a prosperous heritage combined with resilient manufacturing principals, Nissan Forklifts provide some of the best materials handling equipment the industry has to offer.

In order to satisfy the worldwide needs of their assorted customer base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Committed to delivering customer support, the company has four separate production facilities that permit them to continually adapt to their consumers continually evolving desires by providing a variety of innovative ideas and concepts.

The Nissan Forklift North and South American center is located in Marengo, Illinois. A dedicated team of 350 personnel is committed to the collaboration, design and manufacture of their products. Working under the ISO-9001 and ISO-14001 certifications, helps every sector of the Nissan Forklift Corporation to preserve environmental accountability by using techniques that minimize the global influence of their products and processes. These high standards remind clients that Nissan operates under the quality seal that their clients require while being an environmentally responsive organization.

Nissan is assured that they will be able to address any client queries or considerations. Always accessible through their website or by calling 800.871.LIFT, reaching one of their locally endorsed dealers or even going to their Midwestern office, Nissan Forklift Corporation is certain you will be impressed with their warmth and commitment.
